

DRJ's Spring World 2006 EXHIBITOR BADGES: PRE-REGISTRATION

PLEASE COMPLETE AND RETURN NO LATER THAN February 17, 2006

Exhibitor Registration will be open during all set-up and exposition hours from Sunday, March 26, 2006, through Tuesday, March 28, 2006. However, you can avoid lines in the registration area by pre-registering your personnel and having their badges prepared in advance. These badges must be picked up on-site at the Exhibitor Registration table on an individual basis. No badges will be mailed in advance.

Badges must be worn at all times during the symposium and exhibition. Only registered exhibitor personnel will be issued Exhibitor Badges -- do not request exhibitor badges for any individuals who will not be manning your booth during the show hours. Work passes will be available for personnel who will be working in your booth only during the set-up and dismantle periods. Visitor passes will be issued to guests of exhibitors. The One Free Pass included with your booth rental will state just the company name on it and can be picked up at the exhibitor registration desk as well.
