## DISASTER RECOVERY JOURNAL

### **The #1 Business Continuity Publication in the World**

Every issue, Disaster Recovery Journal (DRJ) delivers how-to, in depth knowledge into business continuity planning more than any other business publication. This unique ability to take readers further inside the issues has made DRJ the #1 read business continuity publication in the world, one with a circulation and audience that consistently dominates the business continuity magazine field. Add to this strength that we have consistently higher ad recall than our competitors in every major advertising category and the DRJ advantage becomes clear.

### **Uncompromising Integrity That Builds a Bond**

Our readers always come first. It's a principle we never sacrifice. Not in Print. Not at our events. This is proven in the fact that we are the most widely read publication in the industry as well as our shows pulling in the largest attendance in the business continuity industry. DRJ's consistent delivery of unbiased business journalism has enabled us to forge a bond with our audience that is the envy of the business continuity world.

### **History**

As the publishers of the industry's premier publication on business continuity, DRJ has an abundance of resources and materials available for your use. DRJ delivers the most informative and up-to-date information available in our industry to over 58,000 business continuity professionals. In addition to the magazine, DRJ sponsors the world's two largest conferences and exhibitions in the industry with over 3,000 in total attendance. The shows are held every year in San Diego in September and Orlando in March. Check out [www.drj.com](http://www.drj.com) to sign up for a free subscription or for more information.

## Program Overview

An ever-changing global environment filled with risks, hazards and disasters requires preparedness – in every sense of the word. Businesses must be able to meet any challenge, from a small amount of data loss to a huge terrorist attack. It is no longer a world where the focus can remain on IT solutions; business continuity encompasses every detail of preparedness, security and risk analysis. Downtime of any kind is not acceptable.

Business continuity planners must foresee and plan for these risks on a daily basis. To meet the challenge, diligence, education and research are required. With tight budgets and personnel shortages, the task of staying prepared can be daunting.

That is why it is essential to pursue knowledge in a timely, easily attainable format. To remain ahead of the challenges, the risks and the evolving technology, business continuity planners must strive to network with other planners, meet with vendors, discover new technology and explore new topics.

DRJ's Spring and Fall World conferences offer the opportunity for intense study and exploration of all aspects of business continuity planning. Whether it is a hands-on workshop, a lecture session or an informal grouping during lunch, there are numerous learning opportunities at these conferences.

As the largest business continuity conference in the industry, these seminars attract continuity planners from throughout the world and all aspects of business continuity planning. DRJ has sponsored more than 30 conferences, making it the premier event in the industry.

At these conferences, business continuity planners with a variety of experience levels can come together to find solutions, sessions and more. Business continuity planners, emergency responders, IT professionals, security professionals, CEOs and anyone charged with protecting the company's assets will benefit from the Spring and Fall World Conferences. Attendees can enjoy a multitude of opportunities:

- Participate in hands-on workshops and sessions, led by some of the industry's leading experts.
- Hear lessons learned from those who've experienced loss and recovered.
- Tour the expansive exhibit hall to learn about the latest technologies and services available in the BCP industry.
- Participate in a real-time Mock Disaster Exercise. Join others as you are taken through a disaster experience or other business interruption and learn the steps needed for recovery.
- Learn how to write, implement and test a successful contingency plan.
- Understand the upcoming trends and best practices for the industry.
- Learn about regulations, requirements and other legal issues that will affect organizations and discover the steps necessary for compliance.
- Identify, manage and recover business critical records, data and information security.
- Network with other business continuity planners and face the tasks ahead with confidence.
- Learn preparedness for any security risk, from disgruntled employees to terrorists attacks.

## ***Special Event Sponsorship***

### **Mock Disaster Sponsorship**

Sponsor this unique 3-hour workshop feature at the DRJ Conference! This is an opportunity for the attendees to learn more about how to use your products and services. What better way than to simulate an actual disaster recovery situation!

Mock Disaster Workshop is 3 Hours on Sunday afternoon  
Workshop Hours are 1:30 pm – 4:30 pm  
DRJ recommends that you do NOT make this a three-hour infomercial  
Workshop registration is limited to 200 paid conference attendees

If you elect to sponsor this function, you would need to coordinate execution of the event with the hotel and perhaps a production company. You will need to keep DRJ Management apprised of all the coordination efforts. All "Mock" attendees must be paid DRJ conference attendees.

- DRJ will promote your sponsorship of the "Mock" in all conference brochures.
- DRJ will provide a meeting room large enough for 200-classroom seating.
- DRJ will provide one 30"x 40" (4 color) sign with your Logo promoting the "Mock"
- DRJ will provide you with a list of your "Mock" registrants for pre-conference mailings.
- Your company logo will be included on conference materials distributed at the conference (ie: canvas bag, exhibitor guide, brochures, etc.)
- You may hang your banner/sign or other promotional items in (or around) the room/area designated for the "Mock" (hotel permitting)
- Your session cannot be disruptive to the other Workshops that are running concurrently with yours
- Any paid attendee (regardless of company affiliation) should be able to attend the "Mock."
- Refreshments/snacks are optional; however, DRJ would encourage you to, at a minimum, provide sodas/coffee mid afternoon

### **Cyber Café Sponsorship**

Sponsor this new and unique feature at the DRJ Conference! We will have plenty of PCs set up, so attendees can surf the Internet or visit a chat room. The Café will be open before and after conference hours to help attendees make the most of their free time.

Café opens on Sunday afternoon Noon until 8:00 or 8:30 p.m.  
Monday hours usually run 6:00 a.m. – 6:30 p.m.  
Tuesday hours usually run 6:00 a.m - 6:30 p.m.  
Wednesday Hours usually run 6:00 a.m. - 12:30 p.m.

If you elect to sponsor this function, you would need to coordinate the installation, and cost of a T1 line and all power requirements with the Hotel. In addition, you would need to supply the PCs (laptops preferable), router, all required hardware, wiring etc. Or an onsite mobile data center with all of the necessary equipment and internet access.

- DRJ will promote your sponsorship of the Café in all conference brochures.
- DRJ will provide a "high traffic" room/area to be designated as the Café.
- DRJ will provide one 30"x 40" (4 color) poster promoting café hours.
- Your company logo will be included on conference materials distributed at the conference.
- You may hang your banner/sign or other promotional items in (or around) the room/area designated as the Café (hotel permitting).
- Refreshments/snacks are optional; however, at a minimum DRJ would encourage you to provide coffee/tea available in the mornings.
