Sign in at front desk and get a visitor's badge

Speakers: Clif Hairfield and Clarence Elliott from BRAV will provide an overview of DR-related software, including various types of software and applications, how to evaluate software for your organization, and what DR software can do for you. DR software vendors will discuss what is new in the DR software industry. Following the presentations, about 15 minutes each, demos of several software packages will be provided. Vendors will include COOP Consulting, EverGreen, Recovery Planning, Strohl, and SunGard.

Contact: Clarence Elliott - phone (804) 327-3001, clelliott@ix.netcom.com

Remember, BRAV charges no membership dues or meeting fees. You can't afford NOT to come! Meetings also count toward Continuing Education requirements for DRII professional certifications.
