Carolyn Gonzalez

Carolyn Gonzalez has over 11 years experience in business continuity planning beginning in 1986 at MasterCard. Her experience includes planning for technical recovery, business recovery, emergency response and management, Y2K event management, awareness and training, strategic projects, and pandemic preparedness. She has managed several projects including development of the initial team and process for emergency response and management (ERT); coordination of system planning and testing for relocation of our technical recovery "hot site;" renovation of an existing building to serve as a business recovery "hot site;" and development of MasterCard's global pandemic plan. She co-developed the department's first webpages on MasterCard's corporate intranet. She is currently developing a 3rd Party Provider Validation Program and establishing benchmarking practices. Carolyn was awarded her CBCP certification in 2004 and has been a member of MCPF since 1986.

2008 MCPF BOARD ELECTION NOMINATIONS

Roger Hunt

Roger is currently serving as Manager of Concordia Publishing House, Direct Marketing/Mail Center Operations and Business Continuity Manager. He is responsible for Direct Marketing Sales and the operation of Concordia's Mail Center and the overall coordination and planning of the company's disaster recovery plan. A board member, of the Greater St. Louis Postal Customer Council, a member of the Mid America Contingency Planning group since 2005, and a member of CERT – Community Emergency Response Team here in St. Louis.

Roger's prior experience includes serving as an educational consultant for the University Missouri-St. Louis, Project Manager at Maritz, Inc. and an Adjunct Professor in Marketing at Fontbonne University.

His educational background includes a Master of Management from Fontbonne University, and a BA in Marketing, from Webster University in St. Louis.

Peggy Pelliccione

Peggy Pelliccione has been in the business continuity field for 5 years with First Bank, Inc. Her current responsibilities include BRP development, training and maintenance for 37 business units and 11 retail banking regions (and growing...) nationwide. In addition, she manages plan development/maintenance for Pandemic, Emergency Management Team, Emergency Response Team(s), and critical departments. She's the Project Manager for semi-annual DR testing of designated critical applications of the Company. She also oversees BIA planning and recovery priority assignments for critical vendors, applications, and functions.

Peggy is currently in the process of obtaining an Emergency Preparedness Counselor position through Boys Scouts of America (BSA) that will enable her to approve merit badge completion towards Eagle Scout requirements. Peggy also passed her Certified Business Continuity Planner examination (CBCP)...application pending.
