

DRJ Webinar Selection Form

Disaster Recovery Journal will be conducting monthly webcasts on various topics. All Webinars will be live allowing questions and answers at the end of each session. All webinars will be recorded as well, so if you are unable to attend the live broadcast, you still have an opportunity to view the webcast. Plus if you attend a live event, you will have access to the recorded session for future reference.

Register for several Webinars and save! Complete the section below for your Webinar Passport.
